

I wanted to voice my support of local non-profit radio stations. Specifically, K-LOVE and their local station in Modesto, KLVN at FM88.3. As I commute to different customer sites, I also listen to the Fresno station, KLVY at FM91.1.

The music and inspirational DJs really make my day. I really would just have my radio off most of the time if it wasn't for K-LOVE.

I enjoy hearing about when my favorite artists are coming to the nearby towns and other community events that are scheduled that I otherwise would not be made aware of.

I think K-LOVE is an excellent station that's always appropriate for anyone to listen to. I enjoy that I don't have to fear what some DJ or some will be saying when I'm listening to K-LOVE with my 4 and 6 year old children.

I fully support K-LOVE and do so with donations monthly.
